MOVED: Marks; second — McCabe, that the Organ Historical Society co-sponsor the Eastman Rochester Organ Initiative symposium, November 11-14, 2010.

REPORTS

PRESIDENT'S REPORT: Scot Huntington. A restructuring of the Richmond headquarters has been carried out by the Executive Director and the Treasurer. The President will have the Council consider revising the mem-

bership renewal process during this meeting. Mr. Huntington is actively involved with the restructuring committee. He has met with the Vermont and (proposed) Western Massachusetts convention committees, and has fielded four requests regarding the Phoenix Project. The President is active with the Archives Governing Board in activities outlined in Councilor Marks' report below. He will also participate in Executive Director candidate interviews next month.

VICE-PRESIDENT'S REPORT: Joseph McCabe. The Vice-President looks to announce a new membership campaign in autumn 2010, to reverse the trend of dwindling membership. Mr. McCabe works with committees looking for a new Executive Director and Archivist. He is working with Jonathan Orloff on production of compact disks from the 2009 Cleveland Convention.

TREASURER: Allen Langord. All Assets under active professional management increased modestly in value. Surplus from overall operations exceeded \$37,000 in April and \$64,000 in May. It is good news that the now-projected surplus for the Pittsburgh Convention (from gloomy negative results anticipated in February) is believed realistic. Catalog operations produced respectable surpluses in both April and May. Budgeting for 2010 — 2011 will begin this summer. The Treasurer will soon meet with members of the Endowment Fund Advisory Board.

MOVED: Cook; second — Robinson, that National Council authorize the Executive Director to make new arrangements for the ongoing financial management and information technology requirements of the organization. Motion passed unanimously.

EXECUTIVE DIRECTOR: Daniel N. Colburn II. Mr. Colburn has travelled to the Richmond headquarters four times since the May teleconference of the Council, continuing his work for transition and restructuring in Richmond. Much of the Executive Director's time has been spent acclimating himself to the information technology systems of the headquarters, striving with the Treasurer to make improvements to the system. He has also worked closely with the 2010 National Convention Committee in their preparations for this week's events.

COUNCILORS' REPORTS

ARCHIVES: Christopher Marks. The Archives Governing Board is continuing to explore the possibility of relocating part of the collection,

specifically, items in Enfield, New Hampshire. One location has been examined by several members of the Board. A Request for Proposals is being drafted to approach other possible venues, as well. Stephen Pinel retired as Archivist on May 31, 2010. The Board looks to hire an interim archivist on or about September 1 and is in the process of identifying candidates for this position. A job description for the interim has been developed. The Board will use the time between archivists to assess the collection and its management. Mr. Pinel has spent his last days as Archivist bringing a number of projects up to date.

MOVED: Kinzey; second — Wagner, that National Council empower the Archives Governing Board to employ an interim Archivist. Motion passed unanimously.

CONVENTIONS: Allen Kinzey. The Councilor thanked the 2010 National Convention co-chairs (James Stark and J.R. Daniels) for their hard work for a successful convention. Planning and implementation for the 2011 Washington, DC, convention is on track. Venue agreements are in process. Almost all artists have been selected. For the Chicago 2012 convention, the committee is finalizing the schedule and confirming the viability of venue instruments. Advertising has also commenced. The schedule for the 2013 Vermont convention is being worked out. A proposal has been received for a 2014 Convention.

MOVED: Kinzey; second — Northway, that the fees for recitalists at OHS National Conventions be set as follows: 20 minute demonstration, \$300; 20 minute demonstration, if repeated, then \$50 for each additional performance; 30 to 40 minute recital, \$400; 30 to 40 minute recital, if repeated, then \$100 for each additional performance; 50 minute recital, \$500; and evening recital, regardless of length, \$750. If a recitalist requires a larger payment, this must be funded from other sources. Motion passed unanimously.

MOVED: Kinzey; second — Wagner, that recitalists and lecturers at OHS National Conventions, as part of their contract, should be offered one-day free registration or a 25% discount on early full registration, whichever the recitalist or lecturer chooses. Motion passed unanimously.

MOVED: Kinzey; second — Marks, that the fees for lecturers at OHS National Conventions be \$400 for a lecture of forty minutes or less and to \$600 for a lecture of forty-one minutes or more, to be paid upon submission of

a manuscript for publication. Motion passed unanimously.

The meeting recessed for luncheon at 12:21 p.m. The meeting reconvened at 1:46 p.m.

MOVED: Kinzey; second — McCabe, that National Council accept the proposal from Western Massachusetts to host the National Convention in 2014. Motion passed unanimously.

EDUCATION: James Cook. The E. Power Biggs Committee reviewed applications from seven applicants. The committee selected four for this year's 2009 E. Power Biggs Fellowship award: Timothy Davis, Philip Joseph Fillion Evan Jacob Griffith, and Don Verkuilen. The Historic Organ Citations Committee has awarded seven Citations, including five for the National Convention. The Citations Committee declined one application. The Citations Chair (Stephen Schnurr) has worked with Councilor Cook, co-chair of the yet-to-be-named Committee for reworking the Citations system, to formulate committee members. Committee members are: James H. Cook (co-chair), Stephen Schnurr (co-chair), Joseph Dzeda, Paul Marchesano, John Watson, and Keith Williams, with the following ex-officio: Scot Huntington (President), Joseph McCabe (Vice-President), and Daniel Colburn (Executive Director). A set of instructions and operating procedures for a Pipe Organ Database Manager is under development. The Councilor has worked with Citations Chair Stephen Schnurr and the status designations of Database entries so as to have both programs in accordance with the practical and philosophical concepts of the Guidelines for Conservation.

MOVED: Cook; second — Wagner, that Council accept the following structure for a new Database Committee, with term endings as noted in parentheses and future terms to be for a period of four years: James Cook, Chair (Summer 2012); Jeff Scofield, stoplists (Summer 2012); James R. Stettner, photographs (Summer 2011); and Chad Boorsma, photographs-stoplists (Summer 2013). Motion passed unanimously.

FINANCE AND DEVELOPMENT: Randall Wagner. There was no report from the Van Pelt Fund Committee. Councilor Wagner referred to the Treasurer and the Executive Director for their reports on the Endowment Fund and Annual Fund.

ORGANIZATIONAL CONCERNS: Dana Robinson. Review of applications for the po-

sition of Executive Director is under way. A preliminary round of interviews is scheduled to take place in July in Washington, DC. The Executive Director and the Treasurer have overseen the personnel transitions in the Richmond headquarters. A priority for the new Executive Director will be assessment of the Society's information technology systems.

RESEARCH AND PUBLICATIONS:

Dennis Northway. The Publications Governing Board held a meeting in person in February. There is active and ongoing discussion regarding the viability and ultimate quality of "on demand" printing versus traditional hardbound and sewn volumes. A Publications Governing Board Operating Procedures draft was distributed and discussed. It should be presented to the National Council for ratification at the next meeting. After inspecting the Richmond headquarters, the Board has begun working with the overstock and remainders under its purview. The most important new book from OHS Press is Barbara Owen's history of the Boston Music Hall organ. A subscription has begun and will continue with the October issue of *The Tracker*. This year's Pittsburgh Atlas contains over seventy pages of essays by seven authors. In addition, a seventy-page Handbook has been prepared.
